

How to book your Kry appointment?

- 1 Open the Kry app
- 2 Register, enter your details and find your GP practice. You are then ready to go.
- 3 Press **'Book appointment'** and follow the instructions in the app.
- 4 Select your symptoms from the list provided or describe your issue, that way your doctor will be best equipped to help you.
- 5 Choose to see the next available GP or select a time that suits you.
- 6 Confirm your booking and wait for the GP to call you in the app.

It's easy to see a GP by video

Our GPs treat a wide range of symptoms:

Indigestion & Heartburn

Headache & Migraine

Skin rashes & Eczema

Anxiety & Depression

Asthma

Constipation

Acne

Allergy

Our GPs are happy to offer medical advice for most medical conditions, although some may require a physical examination.

Patients rate us 4.9/5

Here's what they say...

"The doctor listened, learned my whole backstory and dedicated time to me. For so long I hadn't been able to put a face to my doctor. But this felt personal."

Sam ★★★★★

"Kry allowed me to save time, not worry about parking or a waiting room, and the appointment was carried out at a convenient time."

Gary ★★★★★

"I would use Livi any day over going to a physical GP surgery. It's just so convenient."

Larrissa ★★★★★
